

Department of Veterans Affairs

GEORGE PROUD PAST LEADER OF THE MISSIONS COMMITTEE was a member of Union Church for 23 years. George passed away the morning of July 13. He was a champion of the Veterans of our country and would visit the VA Palo Alto Health Care System. During his visits once a month, he would lend his support to the men and women in the Spinal Cord Injury Unit.

The following letter which was sent to Union Church from the “Department of Veterans Affairs,” is a testament of appreciation given to George Proud and to you who support the Missions projects throughout the year.

“To the friends of Union Church,

I wish to extend my personal thanks to you for your recent donation to the patients of the VA Palo Alto Health Care System. Our Veteran Patients appreciate your thoughtfulness and generosity.

Your donation was deposited into the General Post Fund #2276 Spinal Cord Injury. Your support helps make it possible for us to maintain the high quality of care we give our Veterans.

On behalf of the health care system staff and myself. I thank you for caring about our nation’s Veterans.

*Sincerely,
William J. Ball, Chief Volunteer Services”*
