

## FOOD CUPBOARD CLEANING—MAYBE?

As many of us have started to enjoy the summer season, have you thought about taking a few minutes to reorganize your canned foods? There may be some items that you might not be using.

On May 1 we were down to 54 pounds of food donated to West Valley Community Services, which members and friends of Union Church give on the First day of every month throughout the year.

In current national studies about poverty in America, not only are many of our children going to bed hungry at night, but also senior citizens in our country are now being affected. In the land of plenty—Silicon Valley—this is hard to believe.

What can we do as a church to show that we truly care enough about those who are less fortunate in this “Land of Plenty?”
