

On behalf of Hospice of the Valley and Sutter Care at Home, we thank you for Union Church of Cupertino's continuing donations for many years.

Hospice of the Valley and Sutter Care at Home both share a strong commitment to delivering compassionate, high-caliber care dedicated to those with serious illnesses, needing end-of-life and palliative care in greater Santa Clara County community. We believe it is always our duty to enhance the health and well-being of our patients and their families. As a not-for-profit organization, re-investing in our community is a top priority. We could not do this without the support of donors like Union Church of Cupertino.

We cannot emphasize enough what a difference your gift makes. Your generosity touches every aspect of our organization, and gifts of size impacts the lives of the thousands of patients who receive some type of health service from us each day. When community members express their gratitude through philanthropic gifts, it strengthens our ability to uphold the excellence we are known for and exceed patient expectations.

Your gift makes a measureable difference in the lives of our patients and families. Together we can have a powerful impact on the health of our community for generations to come.

With gratitude, Amy Ramsey, Fund Development Coordinator
