

"Dear Friends of Union Church of Cupertino,

What a blessing you are to LIVE OAK ADULT DAY SERVICES. We are indeed both humbled and inspired to receive your check in support of our Cupertino Center.

LIVE OAK recognizes your true gift to us as your beautiful spirit of caring. You are definitely one of the "Stars" that will forever make LIVE OAK shine. Surely the light you shine on others will reflect back on you to light your way, too.

Please know that we greatly appreciate your thinking of LIVE OAK when you give from your hearts.

Colleen Hudgen, Executive Director"
